POSTING
(Internal/External)

DATE: January 12, 2009

LOCATION: NorthCare Network
Marquette County

POSITION TITLE: NorthCare Report Developer/Data Analyst

POSITION STATUS: Regular full time (80 hours biweekly)

CLASSIFICATION: \$21.93/hr up to \$29.73 plus comprehensive benefit package

RESPONSIBILITIES: This position will work closely with key clinical and administrative stakeholders to design, implement, and maintain analytics to support organizational and process improvements; will perform data processing and retrieval of information by responding to internal and external requests; work with the database in an electronic medical record and use SQL to develop reports for a managed care organization; and analyze reports/data to project trends and incorporate into agency decision making. The position is expected to function independently and with a regional team as necessary.

QUALIFICATIONS: A minimum of a BS/BA Degree in Computer Information Systems, Computer Science, Mathematics, Database Management Systems, Business or Social Science with a strong quantitative component. Preference will be given to those with 3+ years experience in analytics integration or applications project management. Applicants should also be able to demonstrate proficiency with SQL server report writing toolset or related application, have a strong analytical and problem-solving ability, show one year of development experience using various program languages, demonstrate the ability to quickly learn new technologies, be detail-oriented and show experience with web-based development (HTML or Java).

EFFECTIVE: Immediately

APPLY TO: Send a letter of interest and resume to Pathways HR Department, 200 W. Spring Street, Marquette, MI 49855, landerso@up-pathways.org, or fax 906-225-7282.

APPLICATION DEADLINE: Until Filled
