

# JOIN A MICHIGAN ASSOCIATION OF COMMUNITY MENTAL HEALTH BOARDS COMMITTEE!!

## MACMHB Committees Include:

- The *Children=s Issues Committee* focuses on mental health issues related to children=s services.
- The *Contract and Financial Issues Committee* focuses on the CMHSP and PHP Contracts with the Michigan Department of Community Health.
- The *Legislation Committee* reviews bills and other legislation introduced by the Michigan House and Senate regarding mental health and related issues.
- The *Member Services Committee* develops and arranges for the delivery of services to Association Members and Affiliate Members that will increase and enhance their capacity to perform as exemplary community based behavioral healthcare organizations.
- The *Policy Committee* reviews various policies: including Medicaid and others, introduced by the Michigan Department of Community Mental Health.

## Who Can Serve:

Participation on all Association standing committees is encouraged. However, voting privileges on standing committees are limited to the co-chairs, two representatives from each region, and Executive Directors and board members representing individual CMH Services Programs. No CMH Services Program may exercise more than three votes at any meeting. Executive Directors may assign CMH staff to attend standing committees meetings or subcommittees.
